

Important Commencement Photo Information

Sunday, May 14, 2023, is the Heidelberg University Commencement Ceremony. Commencement will be held outside Hoernemann Stadium beginning at 10:00 am. Heidelberg University has made arrangements to have a professional photographer, Keith Hodkinson, handle the photographing of all graduates as they receive their diploma during the ceremony. This will allow you to enjoy the celebration and not worry about ensuring a high-quality Commencement photo has been taken of your student. Please note that due to health and safety protocols, personal photography is restricted to your seat during the ceremonies.
