

Banks

As part of Heidelberg's International Orientation, you will be taken to a bank to open an account. A bank account is not necessary to pay your bill; however, a bank account is necessary for payment of an on-campus job.

There is only 1 bank in the Tiffin area which allows students who do not have a Social Security Number to open an account. For this reason, we recommend PNC. This bank has experience dealing with international students.

To open up an account at most banks, you will need the documents listed below. If you have a Social Security Number, you can open an account using that and the documents below at any local bank.

- A copy of your passport
- Copy of your F-1 visa and I-20 or J-1 visa and DS-2019
- W-8BEN Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding

Campus ATM

A money machine or automated-teller machine (ATM) is located on the lower level of the Campus Center building on the Heidelberg University campus. Students can use their Fifth Third Bank money card to withdraw money from their account at no charge. The ATM machine will require a small fee for most withdrawals using other cards.
