

## HEALTH SCIENCES MAJOR<sup>1</sup>

### Program Learning Outcomes (PLOs):

1. To prepare students for health-related careers.
2. To provide students with the skills and knowledge necessary to operate successfully as a member of a healthcare team.
3. Demonstrate competency of discipline-specific areas in the field of health sciences.
4. Students will be able to utilize and appraise primary literature important to understanding health related issues.

### First Year Courses

Fall Semester	Spring Semester
