# **SAFETY INFORMATION AND EMERGENCY PROCEDURES**

The Campus Safety and Security Department is staffed 24 hours a day 365 days a year.

An anonymous crime report form is available on the Heidelberg University Safety and Security website for students who have knowledge of a crime but do not want to become personally involved.

## **EMERGENCY CODE BLUE PHONES**

Heidelberg University has installed Emergency Code Blue Phones throughout campus. Students may call the Tiffin Police (9-1-1) by pressing the red button in an emergency. The red button should only be used in an emergency. Students may call campus security for any non-emergency situation by pressing the black button and dialing 2211.

## **CAMPUS ESCORT SERVICE**

The Heidelberg University Safety and Security Department provides safety escorts 24/7 all year round for students, faculty, staff, and guests on campus. A member of the Security staff will walk or drive you to and from your destinations on campus. All Security staff members carry a cell phone, which can be used in case of an emergency. Students with disabilities or temporary disabilities which may include, but are not limited to, injured limbs, surgeries, and short-term illnesses, may also request escort accommodations. Accommodations should be arranged through Stoner Health Center. Stoner Health Center will notify Security of the necessary accommodations.

### What are the boundaries?

Any place on the Heidelberg University campus, including the outlying areas, i.e., the athletic fields and Senior Apartments.

### What type of escort is available?

A Security staff member will walk with you or drive you to your destination on campus.

### How do I arrange an escort?

Call Campus Security at 419-448-2211 and ask for an escort. No appointment is required. However, if there is an emergency happening on campus, you may have to wait. Wait in a safe place (building or your car) until someone is free to escort you. Escorts are a high priority call. Whenever possible, do not walk alone at night. Call Security for an escort.

## **MISSING STUDENTS**

### Policy

If any member of the Heidelberg University community has reason to believe a Heidelberg University student who resides in on-campus housing has been missing for at least 24 hours, they should promptly contact Campus Security at 419-448-2211. All students have the option to identify an individual to be contacted by the University within 24 hours after the student is determined to be missing in accordance with this policy. Student contact information will be registered confidentially and only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information. Confidential contact information can be registered by the student in OASIS. If Campus Security makes an official determination that a student is missing, the Tiffin Police Department will be notified and emergency contact procedures will be initiated within 24 hours in accordance with the student's designation. In addition, the Dean of Student Affairs will be notified. If a missing student is under 18 years of age and is not emancipated, Heidelberg University is required to notify the missing student's custodial parent or guardian within 24 hours after the student is determined missing, in addition to notifying any additional contact person designated by the student.

### Procedure

1. Any report of a missing student, from whatever source, should immediately be directed to Campus Security.
2. When a student is reported missing:
  - a. Campus Security will notify the Assistant Director of Safety & Security or the Director of Campus Security if the Assistant cannot be contacted.
  - b. Campus Security will initiate an investigation to determine the validity of the missing person report.
  - c. Campus Security will contact the Dean of Student Affairs if the student cannot be located.
  - d. The Dean of Student Affairs shall notify the individual identified by the missing student as the emergency contact within 24 hours of making a determination that the student is missing.

- e. If the missing student is under the age of 18, the Dean of Student Affairs will notify the student's custodial parent or guardian as contained in the records of the University within 24 hours of the determination that the student is missing.
  - f. Campus Security will notify the Tiffin City Police within 24 hours after determining that the student is missing.
3. The Dean of Student Affairs will notify the President of the University.
  4. The Dean of Student Affairs shall initiate whatever action he deems appropriate, under the circumstances, is in the best interest of the missing student.

## **CRIME PREVENTION**

Here are a few suggestions for what you might do to prevent a crime in your area.

In your office:

1. Lock your door, even if you are just going down the hall. It takes a thief 10 seconds or less to enter an open room and steal your property.
2. Do not leave a message on your door indicating that you are away and when you will be back.
3. If someone asks to use your phone for an emergency call, offer to telephone for them instead of allowing them access.
4. Do not put your address on your key ring.
5. Do not leave keys in hiding places.

When walking:

1. Avoid walking alone at night unless absolutely necessary.
2. Walk purposefully, know where you are going, and project a no-nonsense image.

Protecting your automobile or bicycle:

1. Always lock your car.
2. Lock bikes to bike racks with hardened-alloy locks and chains or U-shape locks.
3. Do not leave tempting valuables or property visible inside your car. Lock these items in the trunk.

Protecting yourself when driving:

1. Look into your car before getting in. Lock doors and roll up windows once inside for protection.
2. Do not stop to help occupants of stopped or disabled vehicles. Continue driving to the nearest phone and call assistance for them.
3. Raise the hood, then lock yourself into your car if it breaks down. If someone stops and offers you help, remain in your car and ask them to phone for help. Do not worry about seeming rude.

Call Tiffin Police at 419-448-2323 or Campus Security at 419-448-2211 for detailed crime prevention information or to ask questions.

For a complete list of emergency response procedures, please consult the Heidelberg University Safety and Security webpage at <https://inside.heidelberg.edu/offices/security/crisis-emergency>.

## **CAMPUS COMMUNITY NORMS, POLICIES AND PROCEDURES**

Upon enrollment at Heidelberg University, all students are expected to be aware of, and are required to comply with, all University policies, procedures and standards. It takes every student's effort to provide everyone in the Heidelberg University community with a positive experience. Lack of awareness of the items contained in this publication or on the Heidelberg University website does not excuse actions or behaviors that violate norms, policies or procedures.

Heidelberg University is a community engaged in the business of learning. As a member of a community of scholars, there are a number of norms, policies and procedures which guide our actions. All members of the Heidelberg University community are responsible for familiarizing themselves with these expectations and working to uphold them.

The following norms, policies and procedures provide a framework within which our community can grow. Overriding all is our common desire to be educational, fair and just. It is through our desire to be fair and just that we learn to understand and come to appreciate the virtue of civility.

If there is doubt as to the interpretation of the community expectations, the Dean of Student Affairs will assist you in understanding. In any situation the University reserves the right to take action that will most effectively protect the welfare of the members of the community and the interests of the University.

## **Academic Honesty**

The University values honesty and integrity as fundamental to learning and personal success. All members of the University should respect the integrity of another's work and recognize the importance of acknowledging and safeguarding intellectual property.

Submitting the work of another person or resource as your own, allowing another person to submit your work as his or her own, or assisting another person to do either are all behaviors considered violations of the Academic Honesty Policy. Further examples include:

1. Plagiarizing. Plagiarism is quoting from a source or using ideas paraphrased from a source without proper documentation according to the standard set by the instructor. The source material can be in oral, written, digital, or online format, including another student's work- for example a test, lab report, or paper. Duplicating your own work from a previous assignment or another course is also considered plagiarism.
2. Giving or receiving unauthorized assistance during homework, quizzes, tests, or examinations.
3. Using unauthorized materials, including personal technology, during any quizzes, tests, or examinations.
4. Acquiring copies of an exam dishonestly.
5. Using other dishonest methods to complete course work.

## **Guidelines for Violations and Sanctions**

Heidelberg University recognizes that not all violations of the Academic Honesty Policy are committed with the same intent, and the University's response to Policy violations should be commensurate with offenses and educate students on the value of academic integrity. For consistency, all parties engaged in determining consequences for documented violations of Academic Honesty will follow guidelines suggested in the Academic Honesty Policy.

## **Academic Honesty Warning**

Student behavior that results from scholarly negligence or inexperience with academic integrity principles and policies will result in an Academic Honesty Warning. This behavior is properly handled and remedied primarily by the faculty member teaching the course in which they occur.

What constitutes scholarly negligence will vary by course and instructor, particularly in courses where students are introduced to college-level scholarship. The following are examples of behavior that constitute scholarly negligence:

1. Single incidence of paraphrasing quoted material without citation.
2. Omitted citation in the final draft of a paper.
3. Copying on a small homework assignment or short quiz.
4. Engaging in unauthorized collaboration on an assignment especially when the assignment instructions are unclear.
5. Signing in an absent student for class attendance/participation without instructor permission.

When an incident is identified, the instructor will notify and meet with the student as soon as possible to discuss the behavior and consequences. Using the online reporting procedure (described below), the instructor will notify the Associate Vice Provost for Academic Affairs (AVPAA) about the incident, a summary of the conversation with the student, and any additional actions taken. The student is then issued an Academic Honesty Warning. In addition to reporting the incident, the instructor could take any of the following actions:

1. Set additional meetings with the student.
2. Reduce the grade for an assignment.
3. Require resubmission of the assignment with a grade reduction.
4. Other course-appropriate actions.

Sanctions for all behaviors receiving an Academic Warning will be determined by the course instructor and reported to the AVPAA.

At the end of each semester, the AVPAA and two elected faculty representatives will review accumulated Academic Honesty Warnings. Students who have two or more warnings for the same behavior or four or more warnings of different behaviors may, at the discretion of the reviewers, be placed on Academic Honesty Probation in the following semester.

### Academic Honesty Probation

Student behavior that violates the Academic Honesty Policy with intent or who have accumulated sufficient Academic Honesty Warnings will be placed on Academic Honesty Probation for a minimum of one complete semester. The nature and impact of a student's behavior, a student's prior disciplinary record, and student motivation at the time of the incident determine the appropriate level of sanctions issued to a student on Academic Honesty Probation, see below. Sanctions may be issued by the course instructor, AVPAA, and/or an Investigative Panel consisting of elected representatives of the faculty, students, and administration.

### Level One Violations

Policy violations are characterized as Level One when the actions are dishonest in character and/or may impact grades on significant assignments.

The following list contains examples of behavior that would qualify as Level One violations:

1. Copying entire homework assignments or labs from others.
2. Collaborating with others on an independent assignment when guidelines explicitly forbid it.
3. Reusing the same material in different courses, without permission of both instructors.
4. Intentionally providing another student with one's own assignment, paper, exam or quiz.
5. Making lab data available to a student without instructor permission.
6. Fabricating a citation in a paper.
7. Limited copying and pasting from sources without citation.
8. Possession of unauthorized aids when it cannot be determined if the aid was used.
9. Limited copying from another student during an exam or substantial quiz.
10. Allowing another student to copy during exam.
11. Presenting a false excuse to miss an assignment, test/ exam, class, etc. or to receive unfair accommodation.
12. Pattern of repeated behavior that would otherwise be considered scholarly negligence.

Examples of sanctions for Level One violations include any or all of the following:

1. Ineligibility to hold a student leadership role in any university recognized organization.
2. Mandatory attendance at an educational program related to the violation type.
3. Failing grade (0%) for the assignment or exam.
4. Re-submission of an assignment as requirement for course completion although the original assigned grade does not change.

### Level Two Violations

Policy violations are characterized as Level Two when the actions are one or more of the following: flagrantly dishonest in character, impact a major or essential portion of the course grade, involve significant planning and deliberation, or serious breaches of professional and personal integrity.

The following list contains examples of behavior that would qualify as Level Two violations:

1. Any level of violation committed by a graduate student.
2. Copying from others where the copied material represents a significant part of the course grade.
3. Splitting up large assignments and copying parts from each other without instructor permission.
4. Providing another student with an assignment when explicitly prohibited.
5. Extensive copying and pasting from sources without attribution.
6. Possession and obvious use of unauthorized aids.
7. Extensive copying during an exam or quiz.
8. Fabricating data for a lab or research paper.
9. Taking an exam for another person (or vice versa).
10. Stealing or fraudulently obtaining answers, or an advance copy of an exam.
11. Submitting an entire paper or assignment written by another person or for another class.
12. Replacing the name on another's assignment and handing it in as one's own.
13. Pattern of repeated behavior that would otherwise be considered Level One violation.

Examples of sanctions for Level Two violations include any or all of the following:

1. Ineligibility for membership or participation in any university recognized organization.
2. Failing grade in course.
3. Failing grade in the course with a transcribed academic dishonesty designation that cannot be replaced by retaking the course (on or off campus).
4. Academic suspension.
5. Dismissal from institution.
6. Revocation of degree and withdrawal of diploma.

#### Reporting Violations of Academic Honesty

The University expects members of the academic community to complete their work honestly and to report suspected violations of the Academic Honesty policy using an online complaint form. Instructors who suspect or observe a violation of the Academic Honesty Policy are required to report the incident within a week of when the incident was first suspected.

#### Student Reporting

Students are encouraged to report any behavior they observe that appears to violate the Academic Honesty Policy using the online reporting form. The AVPAA will review the report in consultation with the instructor of record to determine the appropriate action.

#### Complaint Form

The form for reporting complaints is located on [insideheidelberg.edu](http://insideheidelberg.edu) under the Quicklinks tab/forms. This form is digitally filed with the AVPAA, who will oversee all action pertaining to the reported incident.

#### Determination of Sanctions

Course instructors have the authority to assign grades; therefore, any sanctions that pertain to grades are at the discretion of the course instructor.

For all behaviors reported as Level One violations, the AVPAA, course instructor, and student will meet to discuss the incident. The AVPAA and course instructor will determine appropriate sanctions based on guidelines for Level One violations. Students may request review of the incident, report, and/or sanctions by a full Investigative Panel (described below) to assess the incident and determine sanctions.

For all behaviors reported as Level Two violations, the report and all related documentation will be reviewed automatically by an Investigative Panel (described below). The Investigative Panel will review all existing documentation and may request to interview any parties involved in the case as part of their investigation, and/or collect additional information. Involved parties may choose to appear before the investigative panel and/or submit a written statement. The panel will determine by simple majority if the student violated the standards of academic honesty. When an academic honesty violation is upheld, the panel will assign an appropriate set of sanctions according to the sanctions guidelines.

All reporting forms, evidentiary documentation, sanctions, and student information letters associated with violations of the Academic Honesty Policy will be placed on file in the student's academic record for the remainder of the student's enrollment at Heidelberg University. In cases where additional sanctions have been assigned, the instructor of record and the student's adviser will receive a copy of the student's notification letter.

With the exception of permanently transcribed sanctions, a student may request to have any reports or action statements be removed from their academic file upon graduation, see Level Two Sanction for exceptions. Students should address requests to the AVPAA.

#### Investigative Panel

Investigative Panels that review reports of Academic Honesty Violations will consist of a representative of the Undergraduate Academic Policy Committee (UAPC) or the Graduate Studies Committee (GSC), an elected faculty member from the student's academic school, and 2 students from a trained pool of 10-15 members representing a range of academic standing, co-curricular involvement, and degree program. The AVPAA or designee will attend the investigative panel in an ex-officio role. To provide a timely response, the panel may need to convene using Skype or teleconferencing.

## Appeals

Students wishing to appeal the decision of the AVPAA and/or Investigative Panel, should submit an appeal form online through the Office of the Registrar within 30 business days. An appeal may be made when there is new evidence, when proper procedures were not followed, or when the penalty involves suspension or dismissal from the University. The appeal will be reviewed by the Undergraduate Academic Policy Committee (UAPC) or Graduate Studies Committee (GSC); the representative for UAPC or GSC that served on the original investigative panel will recuse themselves from all discussion of the appeal. The AVPAA or designee will inform the student and instructor of the outcome within 30 business days of the receipt of the appeal.

*The language and structure of this policy are based on reports, policies, sanctions, guidelines, and procedures from the University of Texas Rio Grande Valley, University of Massachusetts at Boston, Rutgers University, Marist College, University of North Carolina-Charlotte, University of Rochester, and Washington State University.*

## **AIRPORT SHUTTLE SERVICE**

Heidelberg offers a shuttle to the Columbus, Cleveland, Toledo, and Detroit airports. There is a cost for the shuttle, which is payable at the time the student makes the shuttle reservation.

To reserve a seat, students must register on-line through BergSync by the deadline prior to the shuttle departure. The shuttle deadlines, as well as, departure and arrival dates and times are listed on the calendar pages of the Planner. When making reservations for the shuttle, students must provide the flight information as to the arrival and/or departure time and date, airline and flight number, as well as a contact phone number.

Students, who cannot schedule their air transportation to match the shuttle times, will be responsible for arranging their own transportation to the airport.

## **ALCOHOL**

The University expects all students to comply with the Ohio law regarding possession and consumption of alcoholic beverages.

To comply with state and local law and University policies, the following guidelines are established:

1. The possession of empty alcohol containers in University-owned housing is prohibited. Prohibiting empty containers supports the enforcement of the University alcohol policy, combats health and odor issues in University-owned housing, and helps to maintain a higher image of Heidelberg University and its students. For the purpose of consistently meeting these goals, all empty containers, including but not limited to alcohol, beer and wine containers, alcohol boxes, or other alcohol paraphernalia, are prohibited, and may not be used as room decoration.
2. No one under the legal drinking age is permitted to possess or consume alcohol on the University campus.
3. Students who are under the legal drinking age may not possess alcohol in their room. This includes alcohol brought to the room by any guest or visitor.
4. Students who are under the legal drinking age are not restricted from choosing to live with another student who is of legal drinking age. However, students of legal drinking age will be held responsible for policy violations if they do not take reasonable measures to ensure that underage residents do not gain access to the alcohol.
5. Students who are of legal drinking age may not bring or consume alcohol in another room where a student who is under the legal drinking age resides.
6. Those of legal age may possess only reasonable quantities of beer or wine for their personal use in their rooms. No large quantities (greater than one 12 oz. 6-pack per person) of beer or its equivalent will be permitted on University-owned property. Kegs, party balls and large quantities of alcohol are not permitted on University-owned property. No other forms of alcohol are permitted.
7. No alcohol is permitted to be possessed or consumed in any public area without the express permission of the Dean of Student Affairs or his designee. Public areas are defined as areas, indoors and outdoors, that are used in common by the University community, such as lounges, hallways, parking lots, green spaces, and athletic facilities. In some instances, private spaces, such as residence hall rooms, may become public by action of the occupants.
8. Any student who appears at a University function or on campus in an intoxicated condition, or who creates a disturbance, when it is apparent the student has been consuming alcoholic beverages, may be subject to disciplinary action.

9. Under no circumstances is a person of legal drinking age permitted to furnish alcoholic beverages to a minor.
10. Hosts of private social gatherings are responsible for ensuring adherence to state law and University regulations.
11. No activity shall include any form of alcoholic drinking contest in either its promotion or its program. Drinking games are prohibited.
12. Hosts of overnight and weekend guests assume all responsibility for their guest(s). (See Guests & Student Visitors for further information.)
13. No recognized student organization, or individual student using the school name, shall obtain an F-1 permit in order to sponsor an off-campus activity at which alcoholic beverages are served.
14. Any recognized student organization, or individual student which sponsors an off-campus activity at which alcoholic beverages are served under the alcohol permit of another agent (e.g., a hotel, a country club, or a restaurant) shall observe the following guidelines:
  - a. Each organization sponsoring an off-campus activity at which alcoholic beverages are served should consider the following:
    - Checking identification of individuals who are being served alcoholic beverages to ensure that alcoholic beverages are not accessible or served to persons under the legal age of consumption.
    - Ensuring that alcoholic beverages are not served to individuals who appear to be intoxicated.
    - Arranging transportation for those individuals who appear to be intoxicated.
    - Arranging for the presence of security personnel at all times during the activity.
    - Providing non-salty snacks and food when alcohol is present.
    - Refer to FIPG recommendations found at [www.fipg.org](http://www.fipg.org) for appropriate social activities involving alcohol.
  - b. No one in the sponsoring organization shall be designated as a server of alcoholic beverages.
  - c. The consumption of alcoholic beverages shall occur only within the approved area for the activity.
  - d. Non-alcoholic beverages shall be available at the same place as alcoholic beverages and shall be featured as prominently as alcoholic beverages.
  - e. A reasonable allotment of the budget for an activity shall be designated for the purchase and serving of food.
  - f. No activity shall include any form of alcoholic drinking contest in either its promotion or its program. Drinking games are prohibited.
  - g. No advertisements promoting the serving of alcoholic beverages at off-campus activities shall be displayed or distributed on campus.
  - h. Informational materials (e.g., invitations, memoranda, or advertisement fliers) used by student organizations to announce off-campus activities shall not make reference to the amounts of alcoholic beverages (e.g., the number of kegs of beer) to be served.
15. No recognized student organization shall use alcoholic beverages at its membership recruitment activities, new member education process, or initiation activities.

## **BOARD/MEAL PLAN**

All on-campus residential students (those that live in Heidelberg owned or managed residence halls, houses, and apartments) are required to participate in the meal/board plan provided by the University. Further information on board plans can be obtained from Campus Dining Services at <https://inside.heidelberg.edu/offices/dining>.

## **CLEANING AND MAINTENANCE**

1. It is the responsibility of students to clean and maintain their room, apartment, and/or house. Keeping the common spaces clean within one's building is also part of the living experience at Heidelberg.
2. Vacuum cleaners and brooms are provided in each residence building for student use. Damaged or missing vacuums/brooms will be charged to all residents within that community for replacement.
3. All trash and recycling must be bagged and carried to the closest dumpster outside of the Residence Halls/Apartments. Outside dumpsters are marked either Trash or Recycling. Please place discarded items in the appropriate outside dumpsters. Campus Houses have individual disposal bins for trash and recycling that must be taken to the curb each week. Students are responsible for retrieving trash/recycling bins from the curb and returning them next to the house/apartment before the end of the day after pick up. Please see the trash/recycling schedule provided by Krammes Service Center.

4. Residents cannot leave trash outside their room, in hallways or kitchens, or in common area (i.e.; lounges, kitchens, bathrooms) trash bins. It is the responsibility of the student to take personal and/or bagged trash to the outside dumpsters without delay. Community damages may apply to all residents if personal trash cannot be identified.
5. Rooms, apartments and/or houses must be left in a clean condition at the end of the contract period and at holiday and break closings. Hall staff will conduct regular health and safety inspections throughout the year to ensure these areas are in compliance.

## **CLOSING OF UNIVERSITY HOUSING**

1. University Breaks
  - a. All University residences are closed during Thanksgiving, Winter, Spring and Summer breaks. Closing and reopening hours for residential properties will be specified and published in advance. Students are not permitted to reside in or enter the residence halls during break periods without permission from the Residence Life and Housing Office.
  - b. Students may leave personal possessions in their rooms, apartments, and/or houses during breaks during the academic year (Thanksgiving, Winter and Spring Breaks). The University will not assume responsibility for lost, stolen, or damaged property.
  - c. Students who require housing during University breaks should consult with the Residence Life & Housing Office. Arrangements will be made to assist students in extenuating circumstances only. For students who utilize break housing, an additional cost to stay may be assessed to their student account.
2. End of the year
  - a. Students are required to check out of University housing within 24 hours after their last exam, or prior to the specified closing times. Seniors must check out of University housing following the graduation ceremony.
  - b. For proper checkout to occur, the room must be completely vacated of personal items, left clean, and a room condition report must be completed with the Residence Life staff. The room should be returned to the same, if not better, condition as it was when you checked in. Further instructions will be provided by Residence Life and Housing staff regarding appropriate check-out procedures.
  - c. Fees are charged directly to the student's account for damage to rooms/houses/common areas and for any unusual cleaning or repair that is required.
  - d. Students may be charged a fee for improper check-out if they
    - i. fail to set-up a check-out time;
    - ii. are not prepared to check-out at their chosen check out time;
    - iii. fail to sign the Room Condition Report and/or return keys/student ID.
  - e. All residential students are responsible for any damage found in the room during inspections. Each space will be inspected by the RA, HD, and full-time staff member of Residence Life and Krammes Maintenance. Damages found in the room during inspection will be added to the student's campus account.

## **COHABITATION**

Assigned students to a room, apartment, or house are the only individuals permitted to reside there. If the Residence Life and Housing staff observes evidence or is informed of cohabitation between two or more people other than the assigned person(s) of the room, loss of guest and student visitation privileges may result. Students may be documented for conduct purposes to determine if a violation occurred.

## **COMMON AREA SPACE IN RESIDENCE HALLS**

1. Residence Hall common spaces are primarily intended for the use and accessibility of the building residents. Common spaces are not designed for overnight accommodations.
2. Talmage, Miller, Brown, King and Krieg Main Lobbies, France Great Hall and Williard Conference Room may be reserved by University-approved campus organizations (not affiliated with a particular residence hall) with permission from the Residence Life staff of the building. A campus organization interested in reserving common area space in a residence hall should initially contact Conferences and Events at 419-448-2193 to see if the space is available. The Residence Life and Housing staff must approve any room reservation that is requested in those locations. Once approved, space reservation processes (Event form, or other approved methods) must be followed.

3. Floor lounge space cannot be reserved by any group other than the students of the living unit, hall council representative, or Residence Life staff.
4. Common area space in campus houses and apartments is the responsibility of all residents assigned to that unit.

## **COURTESY AND QUIET HOURS**

1. Courtesy Hours
  - a. Courtesy Hours are in effect 24 hours a day, 7 days a week both inside and outside the residential buildings. Consideration for others is a primary component of community living and students agree to uphold this expectation when they choose to become residents.
  - b. The volume of stereos/TVs/voices/etc. must be kept at a level that cannot be heard outside the room with the door closed or outside the building.
  - c. Noise level must not deter students who want/need to study or sleep at any time.
  - d. Speakers may not be placed on or played from windowsills or doorways.
  - e. Amplified speakers must be appropriate to room size and volume kept at a conversational level of sound.
  - f. Students must comply with any student or staff member's request to be quiet or turn down/off sound equipment.
2. Quiet Hours
  - a. When quiet hours are in effect, stereo, voice, and television volumes must be kept low and room doors must be closed when there is any noise in the room.
  - b. Quiet Hours are 10pm to 10am Sunday night through Friday morning, and midnight to 10am Friday night through Sunday morning.
  - c. During finals week, 24-hour quiet is in effect.

## DISABILITIES

Heidelberg University offers a variety of services and resources to help students succeed and, in accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, faculty and staff work closely with students who have documented disabilities requiring accommodation to ensure equal access to the University's programs, activities, and services.

Heidelberg University complies with all applicable state and federal laws and regulations related to the accommodation of students with physical disabilities, including Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA). These acts prohibit the University from discriminating against "otherwise qualified" students with disabilities and require that the University provide equal access to educational programs. Students who request an accommodation must have a disability that "substantially limits a major life activity," such as learning. The requested accommodation must be reasonable and necessary for the student to participate in education programs fully. The University may also provide a reasonable alternative accommodation that achieves the same or similar effect as the accommodation requested by the student. It is up to the University, not the student, to decide which accommodation will be provided. Heidelberg University is also committed to maintaining the integrity of its educational programs and will only make accommodations that will not lower the quality of the education that it offers for all students at Heidelberg University.

It is the responsibility of the student with a disability to inform the University and request an accommodation. Students requesting services should complete the interactive process, which includes: engaging in an interview with the Disabilities Coordinator, as well as, providing documentation verifying the student's disability.

## DISSENT AND ASSEMBLY POLICY

### Policy on Dissent

By its very nature, the University is a place where diversity of thought is embraced, civility is cultivated, and freedom of speech is protected through ideas and opinions being formulated and exchanged. Each member of the University has a right to freely express his or her position and to engage in constructive dialogue with others whether he/she assents to or dissents from existing situations in the University or society.

To ensure that freedom is maintained, expressions of assent or dissent cannot be permitted to infringe on the rights of the members of the University community or the community itself – not only their freedom to express positions, but their freedom to engage in other legitimate activities. Actual or threatened coercion or violence are abhorrent in a University because they can destroy those rights and freedoms which are necessary for existence of the University.

### All Forms of Assembly

All forms of assembly are permissible forms of freedom of speech for recognized Heidelberg student organizations, groups of Heidelberg students that do not hold official organizational status or for individual Heidelberg student(s) with the agreed upon understanding that participants create an environment that shows care and consideration for the institution. They must respect those who work at and attend Heidelberg ensuring their ability to pursue their work and/or academic endeavors. To this end, Heidelberg expects all groups or individuals who assemble to:

1. Gather in such a fashion as to refrain from physically hindering entrances to, exits from, or passageways within any University building or other structure, or hinder the normal flow of pedestrian or vehicular traffic on or through the campus.
2. Manage volume of noise that ensures members of the University can carry on their normal activities.
3. Ensure the physical safety of all members of the campus community and care for campus property.
4. Enter a private office only when invited, and then not in excess of the number designated or invited by the occupant. Passage through reception areas leading to a private office must not be obstructed.
5. Keep to normal closing times for each building unless other arrangements are approved in advance by the Dean of Student Affairs.

Individuals who assemble outside the agreed upon policies and understanding articulated above could be subject to the appropriate University judicial process and face possible disciplinary sanction.

## **DOORS**

1. It is a violation of policy to prop any residence hall exterior, hallway or stairwell door. These doors assist in security and serve to slow the spread of fire.
2. Exiting through a fire door is prohibited. Fire doors are indicated as such by signs and/or alarms.
3. Students may only prop their room door when they are in their own room. Doors must be shut/locked when students are not in their own room.

## **DRESS STANDARDS**

Heidelberg University encourages attire that is clean, neat and appropriate. Members of Heidelberg University faculty, staff, and administration may proscribe certain forms of dress.

## **DRUG FREE CAMPUS**

Violations (e.g., possession, sale, use, transfer, purchase and/or delivery of illegal drugs or drug paraphernalia) will result in an administrative hearing and/or a hearing before a Conduct body. Refer to the Student Code of Conduct section of this handbook for information on the social conduct system process and the disciplinary sanctions.

In addition to the University's disciplinary sanctions, violators are subject to legal sanctions under local, state, or federal law.

The University recognizes drug abuse not only as a likely safety and security problem, but as an illness and major health problem. Consistent with the concern related to all life threatening illnesses and serious diseases, the University offers a range of resources and services as follows:

Student education and information, counseling and support services, and referral to agencies and organizations which offer supportive services are available through Stoner Health and Counseling Center, as well as the office of the Dean of Student Affairs. Education programs dealing with controlled substance abuse are sponsored by the Student Affairs staff.

Students requiring an animal on campus should coordinate this through the Disabilities Services Office. Students approved to have an animal on campus are required to follow all Student Code of Conduct policies.

## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act of 1974 (commonly referred to as FERPA) guarantees a student (1) access to his or her educational record, (2) the right to challenge the accuracy of the record, and (3) the right to limit release of information from the record.

The Educational Record includes all records, files and documents directly related to the student and maintained by Heidelberg University. These records include, but are not limited to, biographical data and address information; the admission application and supporting documents; the academic record including departmental files, class schedules, grade reports, and transcript of record; athletic records; disciplinary records; financial records; placement credentials; public safety records; and residence life records. Not covered under FERPA are medical and counseling records, and security records.

Under FERPA, contents of a student's academic record can be distributed on a "need to know" basis within the University. Recipients might include faculty and peer facilitators, department chairpersons, staff and administrators, individuals conducting institutional research, student employees, etc.

**Directory Information**, as designated by Heidelberg University, includes: name, enrollment status, Heidelberg assigned email address, Campus Center mailbox, photo, dates of attendance, class (Gr, Fr, So, Jr, Sr), major field of study, degrees at this institution, date of graduation, and honors and awards. In addition, for athletes, participation on specific teams, height and weight are also released.

**NOTE:** All items of Directory Information are subject to release without prior written consent unless the student notifies the Office of the Registrar in writing during the first week of the academic year of his or her objection to release of the information. This objection is good until the student provides in writing the expiration date. The Directory Information list is purposely brief to allow maximum comfort to students, and ease of processing standard inquiries. A student should think carefully about the consequences of requesting that this list not be released. Students should understand that if they are listed as a dependent on a parent(s) most recent income tax return, and if the parent(s) provides a copy of that information to the Registrar, the University is legally able to provide the parent(s) information from the academic record without consent, but is not required to do so.

**Access** to Educational Records is provided under FERPA. Within 45 days of receipt of a written request to the Office of the Registrar, the appropriate University official will make arrangements for access, and will notify the student of the time and place where the record may be viewed (copies are not required by law). If the records are not maintained by the Registrar, the request will be forwarded to the appropriate University official. Depending on the record in question, the request will likely be processed by one of the following individuals: Registrar, Dean of Student Affairs, Provost, VP for Enrollment, Honors Program Director, Athletic Director, or the academic department chair.

FERPA also guarantees the **right to request amendment** of the student's educational records that the student believes is inaccurate. After inspecting the record, if a student wishes for the University to consider an amendment to his or her record, he or she should complete the Request for Record Amendment form available in the Office of the Registrar. This written request should clearly identify the specific part of the record a student wishes to have changed and should specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Please be aware that if a student objects to any part of the directory information, all will be withheld. This means that the student will be required to provide a signed, written release for each legitimate need for information to be released. This would include standard reporting to loan agencies for deferral of loan payments, reporting to athletic eligibility offices, verification of enrollment for insurance purposes, scholarship and award inquiries, etc. It becomes the responsibility of the student to determine when these requests must be submitted.

For additional FERPA resources, please visit <https://inside.heidelberg.edu/offices/registrar/ferpa>, or the U.S. Department of Education at <https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html?src=ft>.

## GOOD SAMARITAN MEDICAL AMNESTY

to safeguard students so they receive the help they need without fear of consequences or retribution, the Good Samaritan Medical Amnesty Policy has been adopted. ## **HARASSMENT**

Heidelberg University does not and will not tolerate harassment of our students on the basis of race, color, sex, sexual orientation, religion, national origin, age or disability. The University recognizes the adverse impact of harassment on academic and residential success, and recognizes that those being harassed may personally suffer adverse effects. All students are entitled to an environment free from all forms of unlawful discrimination and harassment. In order to properly educate the University about harassment and sexual misconduct, programming is offered by the University. This policy demonstrates the University's commitment to addressing this important concern.

### Harassment

Harassment is physical conduct, verbal conduct or other expressive behavior, including written, pictorial, or electronic expression that explicitly demeans any person(s), and 1) interferes with education, employment or other University-authorized activity; or 2) creates an intimidating, hostile or demeaning environment for education, University-related work, or other University-authorized activity. It is a violation of University policy to engage in harassment, or to retaliate against anyone bringing forth an honestly perceived complaint of harassment.

Verbal harassment includes, but is not limited to, name calling, slurs, and epithets, jokes or other remarks that demean the victim and/or discourage the individual's full participation in the University's community. Physical harassment occurs when a person's body, possessions, or residence are threatened or abused.

In addition to the preceding definition, harassment refers to behavior that is not welcome, which is particularly offensive, which debilitates morale and which therefore interferes with the work, academic effectiveness, or living environment of its victims, their co-workers or peers.

Harassment of students will not be tolerated. Students who have questions about harassment or who wish to discuss a complaint should contact the Dean of Student Affairs Office. Students are also free to contact the Tiffin City Police Department to file appropriate charges. If the case cannot be resolved at this level, the appropriate grievance procedure will be employed. Students charged with harassment will be referred to the appropriate conduct body (see Heidelberg University Student Code for more information).

## **HEALTH AND SAFETY INSPECTIONS**

1. Health and Safety Inspections will be conducted by the Residence Life and Housing staff quarterly at a time posted and announced 24 hours in advance. 3. Repeated health and safety violations may result in fines, reassignment or referral to the Dean of Student Affairs Office.

## **HEALTH INSURANCE**

Unexpected accidents and illnesses can result in the need for health care that is beyond the scope of the Stoner Health and Counseling Center and results in additional costs to the student. It is because of these unexpected expenses that all Heidelberg University students registered/enrolled for 12 or more semester hours are required to hold current health insurance.

## **HOUSING CONTRACT**

1. All students residing in University-owned housing must sign and submit to the Residence Life and Housing Office a Housing Contract. The housing contract must be renewed yearly.

## **LIFE THREATENING ILLNESS, SERIOUS INFECTIOUS DISEASES**

Heidelberg University recognizes that students with life-threatening illnesses or serious infectious diseases may wish to continue to engage in as many of their normal pursuits as their condition allows, including academic pursuits.

As long as these students are able to meet acceptable performance standards, and medical evidence indicates that their condition is not a threat to others, the University will be sensitive to their conditions and ensure that they are treated consistently with other students.

In order to help the University ensure the safety and well-being of an individual student and the University community as a whole, students are encouraged to report cases of life-threatening illness or serious infectious diseases to the Stoner Health and Counseling Center (419-448-2041). The Director of Health & Counseling Services will act in accordance with the guidelines of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) in developing a plan of support for the student and ensure that the student's condition does not present a health or safety threat to others.

The sponsoring organization is responsible for making arrangements for publicity of, scheduling of, preparation for, and conduct of the speaking event in a manner appropriate to this campus.

Athletic activities are to be confined to areas designated for such use. There are designated areas on campus for softball, baseball, football, weights/weight lifting equipment, Frisbee, soccer, lacrosse, golf, tennis, volleyball, basketball, catch, etc. The use of University-owned housing and areas directly around the buildings for these activities is prohibited.

Students should make sure that their homeowner's insurance covers property in storage. Unclaimed items left in storage after the beginning of school will be removed and discarded.

## **TOBACCO FREE CAMPUS**

Heidelberg University remains committed to the health and wellness of its employees, students and the broader campus community. Among the efforts to be implemented by the University are efforts to promote and assist health awareness, wellness, and smoking/tobacco cessation and to enhance air quality and concern for the health and wellness of others throughout campus.

*Electronic smoking devices*, commonly referred to as electronic cigarettes or e-cigarettes, are battery operated devices and closely resemble cigarettes.

## VEHICLES

All Heidelberg University students are eligible to have a vehicle on campus. There is a \$50 registration fee for students living on campus, and a \$25 registration fee for students who commute. Motorized vehicles (autos and motorcycles) must be registered on-line through OASIS within five (5) class days following a student's first enrollment in each academic year, or five (5) class days following the acquisition of the vehicle. Registration tags can then be picked up in the Business Office.
2. The registration parking pass must be displayed at all times so that it is clearly visible.
3. According to Ohio law, all motor vehicles must carry personal and property liability insurance. The University has no liability, and assumes none, for a student driving or riding in a private car, nor does the University assume any responsibility for the loss or damage to motorized vehicles brought to campus or for liability whatsoever related to the ownership or use of student vehicles.
4. The owner and/or operator of a motor vehicle is responsible for any fines and costs incurred by the user of the vehicle.
5. Any fines incurred must be paid at the Business Office five days from the date of issue. Fines not paid within five days will be posted to the student's account.

## WEAPONS

The Heidelberg University Board of Trustees mandates the following ban on all weapons. Additionally, the Board gives the administration the authority to enforce this policy.

The possession, manufacture, transfer, sale, or use of weapons by anyone on University property, which includes personal vehicles, or at any University event, without the written authorization of Heidelberg University, is expressly prohibited. Likewise, the possession, manufacture, transfer, sale, or use of weapons is prohibited while conducting University business, whether or not on University property, or at a University sponsored event. This prohibition exists whether or not a federal or state license to possess a weapon has been issued to the possessor.

Weapons are defined as any device or substance that is designed, used, or likely to be used to cause bodily harm, or property damage. Included are firearms, which are defined as any gun, rifle, pistol, handgun or device designed to fire bullets, BBs, pellets, or shots (including paint balls), or other projectiles, regardless of the propellant used. Other weapons include but are not limited to Taser/stun guns, knives with fixed blades, switchblades, spring-loaded knives, pocket knives, kitchen utensils not used for their intended purpose, martial arts weapons, bow and arrows of any type, swords, brass knuckles, sling shots, explosives, or incendiary devices.

This prohibition includes other items deemed by the Office of Campus Safety and Security to be dangerous, including but not limited to hazardous chemical or biological material of any sort, displays or collections of the weapons, ornamental weapons and ornamental ammunition. Prohibited items are subject to the immediate removal of the weapon from University property or at the University event.

Any member of the University community who observes an individual possessing, manufacturing, transferring, selling, or using a weapon and who reasonably believes that the individual is doing so without the consent of Heidelberg University should immediately report this to the Office of Campus Safety and Security. Likewise, any member of the community who observes unattended items they reasonably believe to be weapons should also immediately contact the Office of Campus Safety and Security with a description and location of these items.

The only exceptions to this policy are:

1. Authorized law enforcement officers or authorized military personnel, acting on behalf of and within the scope of their official duties, and to the extent they are legally permitted to possess weapons in the State of Ohio.
2. Persons legally permitted to possess weapons in the State of Ohio, to the extent that such possession is necessary as a part of an academic, research, or work-related activity. Such use must have received prior written approval by the Director of Campus Safety and Security.
3. A State of Ohio Concealed Handgun licensee, who is transporting a handgun and where the handgun and all of the ammunition remains inside the person's privately-owned motor vehicle while the person is physically present, or each handgun and all the ammunition is locked within the trunk, glove box or enclosed compartment or container within or on the person's privately-owned motor vehicle and the vehicle is in a location where vehicles are permitted.

## WITHDRAWAL FROM THE UNIVERSITY

A withdrawal from the University occurs when a student wishes to drop all of their courses within a semester or does not plan to return for a semester following their current enrolled semester.

Students who wish to withdraw should complete the on-line withdrawal form in their OASIS account. After completing the form, students must meet with the Dean of Student Affairs, or a designee, to determine their withdrawal date.

The Dean of Student Affairs Office will assign a withdrawal date based on the criteria below:

1. The student's withdrawal date will be determined by the date the student submits an official intent to withdraw notice to the Dean of Student Affairs Office. Typically, this notice is submitted through the student's OASIS account.
2. If records show that a student attended classes later than the date submitted to the Dean of Student Affairs office, then the last date recorded by a class instructor will be used as the date of withdrawal.
3. If records show that, at a date later than any date cited above, the student met with an advisor, participated in a study group or academic support activity, completed assignments in Moodle, or had some other documented academic interaction with university personnel, then a determination shall be made by the Dean of Student Affairs Office as to whether the date of the activity will serve as the effective date of withdrawal.
4. If the Dean of Student Affairs office determines that the student, through no fault of their own, was unable to submit a timely, official withdrawal notice to the Dean of Student Affairs Office, then the Dean of Student Affairs Office may determine a withdrawal date earlier than the official notice date based on class attendance, completed assignments in Moodle, attendance at a meeting with an advisor, attendance at a study group, or any other academic interaction with university personnel.
5. Finally, if the last date of attendance cannot be determined, then the last date of final exams may be used.

A student may rescind an official notification to withdraw by submitting a written statement to the Dean of Student Affairs Office that they are continuing to participate in academic activities and intend to complete the enrollment period. The rescind notice must be submitted prior to the end of the enrollment period in which the student was withdrawn.

### Leave of Absence

Students are expected to enroll in consecutive Fall and Spring terms until their degree is complete. If a student chooses to take time away from Heidelberg University for any reason, they can request a Leave of Absence. Students requesting a Leave of Absence should complete the Withdrawal Form located in OASIS. After completing the form, the student must meet with the Dean of Student Affairs as soon as possible for final approval.

Eligibility Requirements - To be eligible for a Leave of Absence, students must be eligible to register for classes and meet the following criteria:

1. Be a degree-seeking student.
2. Be registered during the semester immediately prior to the beginning of the Leave of Absence.
3. Students who were admitted as new first semester freshmen or transfer students but did not attend any classes are not eligible for a Leave of Absence. Instead, they should contact the Office of Admissions.
4. Be in good academic standing, on academic watch or probation.
5. Have no hold (e.g., conduct, financial, etc.) which would normally restrict registration.

Students are permitted a Leave of Absence for no more than two semesters. Students on a Leave of Absence and ready to return must contact the Office of Admissions to reactivate their account. Students on a Leave of Absence are not considered enrolled at the University and do not have access to any amenities that are associated with full time enrollment.

### Administrative Withdrawal

Students are expected to be properly registered for courses prior to the initial drop/add date as outlined in the University catalog. Additionally, students are expected to regularly attend all courses in which they are enrolled. A student may be administratively withdrawn from one or more of their courses, or from the University when:

1. The student is not registered for classes prior to the semester drop/add date.
2. The student has not attended courses for which they are registered prior to the semester drop/add date.
3. The student's attendance and work for over half of those courses is erratic.
4. The student is on academic probation and is not following through with expectations for academic recovery.

Undergraduate students are administratively withdrawn the semester immediately following the last date of attendance. Graduate students are administratively withdrawn one year following the last semester attended.

### Readmission/Reactivation

Students who have withdrawn, taken a leave of absence, or were administratively withdrawn but wish to return to the University will follow the readmission policy with the Admission Office.

### Withdrawal For Medical Reasons

- A. Appropriate action may be implemented when there is clear and convincing evidence that certain physical, psychological, or emotional health conditions interfere with the student's ability to function effectively in the academic environment, i.e.:
  1. The student's state of health poses a substantial danger to the health or well-being of other members of the University community; or
  2. The student is suffering from a mental disorder and as a result of that disorder engages or threatens to engage in behavior which:
    - a. Poses a substantial danger or risk of causing harm to self or to others;
    - b. Poses a substantial danger or risk to University property, or to the property of another member of the University community; or
    - c. Results in conduct which substantially impedes or disrupts the authorized activities of other members of the University.
- B. When the health of a student is alleged to be as defined in paragraph (A) above, the Dean of Student Affairs, or designee, shall consult with the student about the student's health status. If the Dean of Student Affairs decides it is necessary, the student may be required to submit to examination(s) deemed sufficient by the University health service, or other person/agency deemed by the Dean of Student Affairs, to evaluate such condition. The office of the Dean of Student Affairs will then review the case, including any medical evidence or opinion available, and determine appropriate University action. If the student fails to submit to an examination, or fails to furnish relevant health condition information, or if the review by the Dean of Student Affairs discloses the existence of an immediate danger to the University community as set out in paragraph (A) above, the student may be subject to one or more of the following measures:
  - conduct action;
  - an immediate involuntary order to leave the campus;
  - conditions appropriate to protect the University community may be placed upon continued enrollment; or immediate involuntary withdrawal from the University with an order to leave the campus.

In arriving at appropriate action, the Dean of Student Affairs will take into account reasonable action on the part of the University to accommodate the student's condition. Involuntary withdrawal will be used as a last resort.

- C. If a student has been ordered to leave the campus, withdraw, or otherwise experienced modification of enrollment status by reason of health conditions enumerated in paragraph (A) above, the student may petition for revision of that status through the office of the Dean of Student Affairs.
  1. Such request must be accompanied by supporting documentation that the conditions for revision of enrollment status have been fulfilled, and/or that the health condition has changed sufficiently to make such revision appropriate. Upon receipt of such request, the Dean of Student Affairs will evaluate the evidence, or consult with appropriate University health service and administrative officials for that purpose, and decide to:
    - a. Revise the status, without condition;
    - b. Revise the status, with specified conditions of continuation, such as medical treatment or disciplinary action; or
    - c. Not revise the status.
  2. The student must, in addition, meet all normal and appropriate standards for admission or enrollment set by the academic requirements of the University.

17. Conduct that is disorderly, lewd, or indecent.
18. Violation of Privacy: Violation of privacy is the making, attempting to make, transmitting, or attempting to transmit audio, video, or images of any person(s), or viewing or spying on any person(s) where there is an explicit expectation of privacy (such as a dwelling, bathroom, locker room, University employee's office, etc.) without knowledge and prior consent of all participants.
19. Behavior Unbecoming: Behavior unbecoming of a Heidelberg University student or behavior which reflects poorly upon the Heidelberg University community.
20. CNIT Computer Policy Violations: Theft or other abuse of computer facilities and resources, including but not limited to:
  - a. Unauthorized entry into a file to use, read, or change the contents, or for any other purpose.
  - b. Unauthorized transfer of a file.
  - c. Use of another individual's identification and/or password.
  - d. Use of computing facilities and resources to interfere with the work of another student, faculty member or University official.
  - e. Use of computing facilities and resources to send obscene or abusive messages.
  - f. Use of computing facilities and resources to interfere with normal operation of the University computing system.
  - g. Use of computing facilities and resources in violation of copyright laws.
  - h. Any violation of the University Computing Policies.
21. Abuse of the Student Conduct System, including but not limited to:
  - a. Failure to obey the notice from a Conduct Board or University official to appear for a meeting or hearing as part of the Student Conduct System.
  - b. Falsification, distortion, or misrepresentation of information before a Conduct Board.
  - c. Disruption or interference with the orderly conduct of a Conduct Board proceeding.

- d. Institution of a student conduct code proceeding in bad faith.
  - e. Attempting to discourage an individual's proper participation in, or use of, the student conduct system.
  - f. Attempting to influence the impartiality of a member of a Conduct Board prior to, and/or during the course of, the Conduct Board proceeding.
  - g. Harassment (verbal or physical) and/or intimidation of a member of a Conduct Board prior to, during and/or after a student conduct code proceeding.
  - h. Failure to comply with the sanction(s) imposed under the Student Code.
  - i. Influencing or attempting to influence another person to commit an abuse of the student conduct code system.
22. Community Standards Violation: Students are required to engage in responsible social conduct that reflects credit upon the University community and to model good citizenship in any community.
23. Email Violation: Failure to regularly check campus mail and Heidelberg issued email account for important University information.
- C. Violation of Law and University Discipline
- 1. University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of a civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Dean of Student Affairs. Determinations made or sanctions imposed under the Student Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
  - 2. When a student is charged by federal, state or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the Student Code, the University may advise off-campus authorities of the existence of the Student Code and of how such matters are typically handled within the University community. The University will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students, and other members of the University community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

## **ARTICLE IV: STUDENT CONDUCT CODE PROCEDURES**

### **A. Charges and Administrative Hearing**

- 1. Any member of the University Community may file charges against any student for violations of the Student Code. A charge shall be prepared in writing and directed to the Conduct Administrator, or through an on-line Incident Communication Form (ICF). Any charge should be submitted as soon as possible after the event takes place, preferably within twenty-eight (28) class days of the date of the incident. However, the University has the right to process any charge filed regardless of when the incident occurred.
- 2. The Conduct Administrator, or a designee, may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved through mediation or arbitration on a basis acceptable to the Conduct Administrator. Such disposition/mediation/arbitration shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Conduct Administrator may later serve in the same matter as the Conduct Board or a member thereof. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing, if necessary, shall be limited to determining the appropriate sanction(s).
- 3. All charges shall be presented to the Respondent in written form. A time shall be set for an Administrative Hearing, not less than two but no more than fifteen (15) class days after the student has been notified. Maximum time limits for scheduling of Administrative Hearings may be extended at the discretion of the Conduct Administrator.

4. Administrative Hearings shall be conducted by a Conduct Board or Hearing Officer according to the following guidelines except as provided by Article IV(A)(7) below:
  - a. Administrative Hearings normally shall be conducted in private.
  - b. The Complainant, Respondent and their advisors, if any, shall be allowed to attend the entire portion of the Administrative Hearing at which information is received (excluding deliberations). Admission of any other person to the Administrative Hearing shall be at the discretion of the Conduct Board and/or Hearing Officer.
  - c. In Administrative Hearings involving more than one Respondent, the Conduct Board or Hearing Officer, to their discretion, may permit the Administrative Hearing concerning each student to be conducted either separately or jointly.
  - d. The Complainant and the Respondent have the right to be assisted by an advisor they choose. The Complainant and/or the Respondent is responsible for presenting his or her own information and, therefore, advisors are not permitted to speak or to participate directly in any Administrative Hearing before a Conduct Board or Hearing Officer. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the Administrative Hearing, because delays will not normally be allowed due to the scheduling conflicts of an advisor unless extenuating circumstances are approved by the Dean of Student Affairs, or a designee.
  - e. The Complainant, the Respondent, and the Conduct Board or Hearing Officer may arrange for witnesses to present pertinent information to the Conduct Board or Hearing Officer. The University will try to arrange the attendance of possible witnesses who are members of the University community, if reasonably possible, and who are identified by the Complainant and/or Respondent at least two class days prior to the Administrative Hearing. Witnesses will provide information to and answer questions from the Conduct Board or Hearing Officer. Questions must be directed to the Conduct Board Chair or Hearing Officer. Complainants or Respondents may not ask direct questions to one another. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved at the discretion of the Conduct Board Chair or Hearing Officer.
  - f. Pertinent records, exhibits and written statements (including absent witness reports) may be accepted as information for consideration by a Conduct Board or Hearing Officer at the discretion of the chair or Hearing Officer.
  - g. All procedural questions are subject to the final decision of the Conduct Board Chair or Hearing Officer.
  - h. After the portion of the Administrative Hearing concludes in which all pertinent information has been received, the Conduct Board or Hearing Officer shall determine (by majority vote if the Conduct Board consists of more than one person) whether the Respondent has violated each section of the Student Code for which they have been charged with violating.
  - i. The Conduct Board's or Hearing Officer's determination shall be made on the basis of whether it is more likely than not (a preponderance of evidence) that the Respondent violated the Student Code.
  - j. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code proceedings.
5. There shall be a single verbatim record, such as a tape recording of all Administrative Hearings before a Conduct Board (not including deliberations). Deliberations shall not be recorded. Minutes of Administrative Hearings may be taken by a University administrative assistant. The record shall be the property of the University.
6. If a Respondent, with notice, does not appear before an Administrative Hearing, the information in support of the charges shall be presented and considered even if the Respondent is not present. Ample attempts of contact to the Respondent or Complainant will be made prior to a scheduled hearing.
7. The Conduct Board or Hearing Officer may accommodate medical or physical disabilities, as well as concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness(es) during the Administrative Hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Dean of Student Affairs, or a designee, to be appropriate.

## B. Sanctions

1. The Dean of Student Affairs, or a designee when appropriate, reserves the right to notify parent(s) or guardian(s), faculty, or staff of any or all levels of disciplinary sanctions.
2. The following sanctions may be imposed upon any student found to have violated the Student Code:
  - a. *Warning* - A notice in writing to the student that the student is violating or has violated institutional regulations.
  - b. *Probation* - A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
  - c. *Loss of Privileges* - Denial of specified privileges for a designated period of time.
  - d. *Fines* - Previously established and published fines may be imposed.
  - e. *Restitution* - Compensation for loss, damage or injury. This may take the form of appropriate service and/or monetary or material replacement.
  - f. *Educational Measures* – Work assignments, essays, workshops, class(es), service to the University, or other related educational assignments.
  - g. *Discretionary Sanctions* – Sanctions that work to restore, repair, or reverse the damage(s) done by a Student Code violation or other related discretionary assignments.
  - h. *Notifications* – A written notification to parent, guardian, coach, advisor and/or University officials regarding Student Code violation(s).
  - i. *Housing Reassignment* - Required move from housing unit to another on campus.
  - j. *Deferred Suspension* – This sanction is a suspension that is delayed pending specified behavioral performance. A definite period of observation and review occurs during deferred suspension. If a student is again found responsible of violating the Student Code, the suspension will take place immediately without appeal.
  - k. *University Suspension* - Separation of the student/group/organization from the University for a definite period of time, after which the student/group/organization is eligible to return. Conditions for readmission/reinstatement may be specified.
  - l. *University Expulsion* - Permanent separation of the student/group/organization from the University.
  - m. *Revocation of Degree* – A degree awarded from the University may be revoked for violation of University standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.
  - n. *Withholding Degree* – The University may withhold awarding a degree otherwise earned until the completion of the process set forth in the Student Conduct Code, including the completion of all sanctions imposed, if any.
3. More than one of the sanctions listed above may be imposed for any single violation.
4. Failure to complete a sanction to the expectations of the assigning Hearing Officer may result in a conduct hold being placed on the student's account until the sanction is completed as outlined.
5. (a) Other than University expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's disciplinary record with the Dean of Student Affairs Office. Upon graduation, the student's disciplinary record may be expunged of disciplinary actions other than University Suspension, University expulsion, or revocation or withholding of a degree, upon application to the Dean of Student Affairs, or a designee. Cases involving the imposition of sanctions other than University Suspension, University expulsion, or revocation or withholding of a degree shall be expunged from the student's confidential record seven years after the student leaves the University. (b) In situations involving both a Respondent (or group or organization) and a student claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Respondent and the student claiming to be the victim, because the educational career and chances of success in the academic community of each may be impacted.

6. All recognized student groups, clubs, and organizations are subject to all sanctions listed above in Article IV(B)(2)(a)-(n).
7. In each case in which a Conduct Board or Hearing Officer determines that a student group, club, or organization has violated the Student Code, the sanction(s) shall be determined and imposed by the Conduct Administrator, or a designee. In cases in which persons other than, or in addition to, the Conduct Administrator have been authorized to serve as a member of the Conduct Board, the recommendation of the Conduct Board shall be considered by the Conduct Administrator, or a designee, in determining and imposing sanctions. The Conduct Administrator, or a designee, is not limited to sanctions recommended by members of the Conduct Board. Following the Administrative Hearing, the Conduct Board and the Conduct Administrator, or a designee, shall advise the Respondent, group, club, or organization (and complaining students who believe they were the victim(s) of another student's conduct) in writing of its determination and of the sanction(s) imposed, if any.

#### C. Interim Suspension

In certain circumstances, the Dean of Student Affairs, or a designee, may impose a University or residence hall suspension prior to the Administrative Hearing.

1. Interim suspension may be imposed only:
  - a. to ensure the safety and well-being of members of the University community or preservation of University property;
  - b. to ensure the student's own physical or emotional safety and well-being; or
  - c. if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.
2. During the interim suspension, a student may be denied access to the residence halls and/or to the campus (including classes) and/or all other University activities or privileges for which the student might otherwise be eligible, as the Dean of Student Affairs, or a designee, may determine to be appropriate.
3. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through an Administrative Hearing, if required.

#### D. Appeals

1. A decision reached by the Conduct Board and/or Hearing Officer, may be appealed by the Respondent(s) or Complainant(s) to the Dean of Student Affairs, or a designee, within five (5) class days of the decision. Such appeals shall be in writing and shall be delivered to the Dean of Student Affairs, or a designee, or the Appeals Board.
2. Except as required to explain the basis of new information, an appeal shall be limited to the following purposes:
  - a. To determine whether the Administrative Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the Respondent a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
  - b. To determine whether the decision reached regarding the Respondent was based on preponderance of information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code occurred.
  - c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
  - d. To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original Administrative Hearing, because such information and/or facts were not known to the person appealing at the time of the original Administrative Hearing.

3. If the Dean of Student Affairs or the Appeals Board upholds the appeal, one of the following will happen:
  - a. If the Respondent(s) or Complainant(s) alleges that the sanction was inappropriate and the Dean of Student Affairs, or a designee, or the Appeals Board finds the sanction to be inappropriate, the Dean of Student Affairs, or a designee, or the Appeals Board may reduce the sanction.
  - b. If the Respondent(s) or Complainant(s) alleges that there was a defect in procedure or new information is presented and the Dean of Student Affairs, or a designee, or the Appeals Board finds that there was a defect in procedure or new information was presented, which was sufficiently substantial to have affected the outcome, the Dean of Student Affairs, or a designee, or the Appeals Board will order a new hearing.
4. If an appeal is not upheld, the matter shall be considered final and binding upon all involved.

#### **ARTICLE V: INTERPRETATION AND REVISION**

- A. Any question of interpretation or application of the Student Code shall be referred to the Dean of Student Affairs, or a designee, for final determination.
- B. The Student Code shall be reviewed at least every three (3) years under the direction of the Dean of Student Affairs.
