

Summer housing will be in the **University Townhomes**. Additional housing may be utilized at the discretion of the Office of Residence Life if needed. Students will be provided a furnished bedroom. Living room furniture is not provided. Due to limited space, preference will be given to students taking summer classes or who are working on campus.

In order to transition directly into summer housing, completed forms must be submitted to the Office of Residence Life by Wednesday, May 3rd.

Meal plans are unavailable during the summer term. Students are responsible for their own meals during summer. The University Townhomes come equipped with a full kitchen.

The cost of summer housing is **\$104.00 per week**, with weeks beginning on Monday and ending on Sunday. Charges will be applied for an entire week if a resident is in housing during any portion of the week. Charges will begin on the first day students indicate and until the last day of occupancy. Occupancy will be determined by the day keys are returned and the room is empty of all personal belongings.

Any change in the initial contract period must be submitted in writing to the office one week prior to the change. Failure to do so will result in a charge equal to one week.

Students moving from Spring 2023 housing directly into Summer 2023 housing will be notified when their room is available. Normally this notification will be delivered within a week after commencement.

Checkouts: Students *must* complete the Check-In & Arrival to transition directly to Fall 2023 housing. Check In & Arrival for summer housing students is on **Tuesday, August 8th from 9:00 am - 11:00 am**.

Students who are *not* transitioning to fall housing must check out with summer staff by **July 30th**.
