

November 23, 2020

Dear Heidelberg Students:

Most of you are now home with your families for the holiday week. That is wonderful! All of us in the Berg campus community need this break.

We should feel encouraged by our overall campus health at this moment.

Since the Ohio National Guard tested here on November 12th, we have conducted 610 total COVID-19 tests (386 students and 224 faculty/staff/others). We had 21 positives for a positivity rate of **3.4%**. Of the students tested, we had 18 positives for a positivity rate of **4.7%**. The 7-day running positivity rate in Ohio is now 13.5%.

Congratulations to everyone for taking care of ourselves as best as possible in advance of seeing our families.

Have a Happy Healthy Thanksgiving!

With gratitude,

Rob Huntington
President
