

Course Drop (pg. 20)

A student dropping a course immediately following the last day to add and preceding May 5, 2020 will earn the letter grade of “W” on the official academic transcript. Students are required to consult with their academic advisor before dropping any course, as it may significantly impact eligibility, financial aid, and/or the Four-Year Guarantee.

A student is permitted to drop a class via OASIS until May 5, 2020.

A student who wishes to drop a course after May 5, 2020 will earn a “WF” withdraw fail grade and should drop the course through the Office of the Registrar. A student has the right to appeal the “WF” grade when circumstances are beyond their control. A student petitioning will follow the Grade Appeal Policy. A student petitioning for medical reasons should follow the Student Handbook policy and inquire to the Dean of Student Affairs.

Pass-Fail Courses (pg. 26)

Students are permitted, with the approval of their advisor, to register for a maximum of 12 credit hours on a Pass-Fail basis, while enrolled at the University. Courses taken as Pass-Fail will not count towards the major(s), minor(s), Honors Seminars or Honors Support Courses, unless special permission is granted by the department chair or the Director of the Honors Program. A Pass-Fail arrangement is irrevocable; that is, the Pass-Fail option may not be changed during the semester or at a later date to a letter grade. The Pass-Fail credit hours can be used to fulfill elective hours needed to meet the 120-credit hour graduation requirement. Students are required to consult with their academic advisor before switching a course to Pass-Fail, as it may significantly impact their GPA, eligibility, financial aid, the Four-Year Guarantee, and academic honors.

Withdrawals will be handled according to the rules governing all courses (“WF” after the specified date). “Pass” should designate that the student did work comparable to “C” (2.00) or better. “Fail equates to a “C-,” “D,” or “F.” A student wishing to register for a Pass-Fail course must obtain a Pass-Fail Agreement form from the Registrar’s Office and submit it by May 5, 2020.
